

Hello, my name is Richard Couch, and I am running for a Position on the Lake Doster Lake Association Board. I have lived in this community since 1997, first on the south end of the lake and since 2013 on Shangri La Circle. After my wife of 36 years passed in 2011, I met a new love, Nancy. Nancy is currently an elementary school principal. My two boys currently live in the area along with my granddaughter.

I am no stranger to volunteerism, having previously served many years as a Boy Scout leader and Sunday School Teacher. I have served on both the GDRC and the LEC as well. I am currently volunteering with the Lake Doster Homeowners Association Welcoming committee. I am also a regular visitor to our LDLA Board meetings.

I retired from a career in engineering and management in glass bottle manufacturing, Uranium Enrichment and paper board manufacturing. I am a graduate of UNCC and Cornell University's MBA program. I am also a USMC Vietnam veteran.

I believe that to have good neighbors you must be one. I am an e-voting supporter. I will work to foster a climate of civility and respect within the Lake Doster Community. I am devoted to supporting our community and enjoy DIY projects around my house and my wood shop.

I AM ASKING FOR YOUR VOTE!

Richard Couch
