

**April 22, 2022**

**ATTN:** LDLA Members

My name is Tyler Carpenter, and the purpose of this communication is to express my interest in becoming a member of the LDLA board. A brief biography containing pertinent information and qualifications is listed below.

- Our family recently purchased the home located at 185 Hestia Drive. Since moving in, we have been busy renovating the home.
- My wife Jessica and I have two children, Deken who is 12 years old and McKenna who is almost 9 years old. Both of our children attend Otsego schools.
- We love being on the water and especially enjoy fishing!
- We own R-Factor Inc., which is an industrial/commercial insulation contractor. Our office is in the Plainwell Industrial Park, which makes for a nice, short commute!
- I am the President of R-Factor Inc., and Jessica is our Secretary and Treasurer. Jessica handles all our bookkeeping and administrative duties. We have 30 employees.
- I enjoy participating in the local governmental process. I enjoy attending local board meetings and have been an active participant when issues arise.
- I am currently the business community representative on the Allegan County Community Corrections Board.
- I am familiar with Parliamentary Procedure/Robert's Rules of Order. I feel it is important to maintain order during meetings to keep them efficient and effective.

In closing, I feel my membership would be a tremendous asset to the board and association members. As a member of the board, I would bring a wealth of experience in many relevant areas. If selected, my philosophy towards creating board policy and making decisions would be to always take the homeowners needs and wants into consideration while maintaining the interests of the association as a whole.

I look forward to speaking further with the board. In the meantime, if you have any questions, please feel free to contact me at any time.

Sincerely,

*Tyler Carpenter*
